Pub Games Event

This team event is pure fun from start to finish! **We bring along a great selection of traditional pub games and then let the fun unfold.**

All the well-known favourite pub games are here - Skittle Alley, Shove Ha'penny, Quoits, Darts - plus quite a few great pub games that you might not have come across before such as Shuffleboard, Ringing the Bull, and Aunt Sally. We have scaled-up in size some of the games to make them great for team play. However, all are based on traditional pub games...many of which have been played for centuries.

On the sound of the hooter, all teams begin their first game. It's race on to score as many points, strikes, or ends as possible before the hooter sounds again to mark the end the round. Teams need to organise themselves well if they are to maximise their scoring on each game. And perhaps not surprisingly, the pace is full-on...a great way to unwind!

Referees (our event staff) ensure rules are scrupulously observed, and will join in the fun. At each hooter, teams move on to their next game. But although this is a fast-moving event, there is always time to visit the bar for the next round!

The evening concludes with a prize-giving both to the winning team and to the outstanding (or abysmal!) performances in the various games.

TEAM LEARNING: team competition, strategic planning, get to know one another, and bond through having fun

“My enquiries were dealt with quickly and suggestions were made without delay. All of the participants were charmed and the objectives were reached.”

- + Ideal for the evening, this event lets you have fun over a drink before or after dinner.
- + These games work just as well indoors or outside, you can decide on the day, according to the weather.
