

## Prague Treasure Hunt!

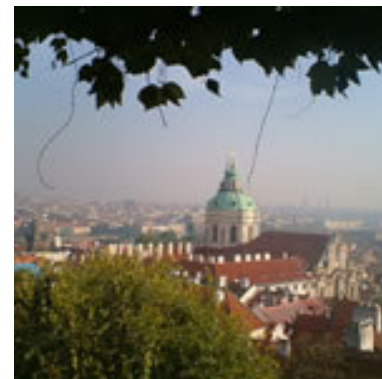

**Outdoor team building event for 5 to 200 "explorers" in the beautiful capital city of the Czech Republic lasting about half a day.**

*Prague* is a magical place to visit anytime of the year! If you're searching for a team meeting a bit further afield this year, we can help you explore the beautiful capital of Bohemia with our captivating treasure hunt.

Easily explored on foot, Prague offers any visitor the opportunity to enjoy such famous landmarks as *The Charles Bridge*, *Prague Castle* and *The Astronomical Clock*. You will be amazed by the fantastic medieval buildings that appear around every bend of the cobbled, ancient streets, and be won over by the friendliness of the people.

Our treasure hunt puts teams in competition with each other (and the clock) as they work their way around central Prague. Teams need to uncover the clues necessary to open the Treasure Box. Utilising photo clues from around the city, team challenges, and even GPS handsets, teams must decide upon the best way to complete the challenge within the time allowed. This is a scenic and rewarding opportunity to bring new groups together or strengthen existing teams. Every member of the team will be involved right to the end –and it's always a race to the finish!

This fun, team-based event combines easily with a team meeting and/or conference or celebratory evening meal. We can tailor your event to fit your schedule.

If you need travel advice or support, we can even help you arrange group accommodation and transfers from the airport. And when your business is finished, Prague is the perfect city to shop for gifts and souvenirs.
